

Virtual Access GW5XXX End of Supply Notice

End of Supply Schedule

To provide a better service for our customers and partners, Virtual Access is initiating the End of Supply management process for the following GW5000 Series models:

GW5005	GW5310
GW5010	GW5325
GW5025	GW5330

The last day for ordering the above models is 30th April 2010.

The following models will continue to be available until further notice:

GW5210	GW5510
GW5220	GW5520
GW5230	GW5525
GW5320*	GW5530

All models currently under warranty or support contract will continue to be supported.

*The GW5320 is available in limited quantities; please contact your sales representative for further details.
